Memories of Breckenridge, celebrating our 150 Th. Birthday.

Tea Time Tips - If your batting is to wrinkled, toss batting in a warm dryer for a few minutes.

Try This - Use silk pins when pinning applique shapes in place, They are thin and have sharp points. They do not push the shape out of place and work better then larger sewing or quilting pins

PLEASE NOTE!

Interested students please call or sign-up at Tea Time in advance to insure availability of materials and space.
